President's Message

Springtime is finally upon us after a very snowy winter, and the weather is finally getting warm. The Club has planned some great events for this summer.

On Friday, June 25th, we are planning to attend a Camden Riversharks Baseball game along with a tailgate party. (see page 2 for details)

In July, the Club will be walking in the Runnemedede Parade on the Black Horse Pike, Sunday the 4th of July and will participate with VFW Post #3324. We will join up afterward for the festivities at the VFW.

On Saturday, August 21st the "96th" Anniversary Family Picnic at "Soupy Island" (see flyer on page 5). We will be featuring the "Our Gang Band" this year.

I hope that you may be able to join us for one or more of these planned activities this summer, it should be a lot of fun.

Larry

LITWAK BENEFIT

On Sunday, April 18, 2010 a benefit was held for Loretta and Fred Litwak who lost their home and all of it's possessions in February to a devastating fire. The PACC, Polish American Heritage Society, and various St Joseph's Church Organizations in conjunction with Bellmawr VFW Post #7410 sponsored the benefit for the Litwak's. There was a tremendous outpouring of love from Polonia for the Litwak's at this event which included a silent auction and great live music and plenty of food and drink. INFORMATION CORNER

By Bill Creato

Do Not Dial Area Codes 809, 284, or 876

The scam artists get you to return their call by
telling you that it is information about a fam-
ily member who has been ill or to tell you
someone has been arrested, died, or to let you
know you have won a wonderful prize, etc.

In each case, you are told to call the **809** num-
ber right away. Since there are so many new
area codes these days, people unknowingly
return these calls. If you call from the U.S. ,
you will be charged **\$2,425.00** per-minute.
Or, you'll get a long recorded message. The
point is, they will try to keep you on the
phone as long as possible to increase the
charges. **The 809** area code is located in the
Dominican Republic ...The charges afterward
can become a real nightmare. That's because
you did actually make the call... If you com-
plain, both your local phone company and
your long distance carrier will not want to get
involved and will most likely tell you that
they are simply providing the billing for the
foreign company. You'll end up dealing with
a foreign company that argues they have done
nothing wrong.
