The "Old Neighborhood" Do You Remember?

**Worries
Bring
Tomorrows**

*Today is yesterday's tomorrow
and tomorrow's yesterday is today.
But next week's six days ago
will be one day less than this week.
Today's problems were yesterday's worries,
and tomorrow's memories were today's
heart aches.*

*So never worry about today's tomorrow
yesterday, but instead worry of
today's today.*

*For tomorrow may never come until after
yesterday's day after tomorrow.*

*When tomorrow's worries trouble you today,
yesterday, which is the day after the
day before yesterday's tomorrow, is
the time to worry before tomorrow comes.
Or, never worry about tomorrow today.*

Moral: Take it easy
